Wholesale Agricultural Chemicals Price List

A Message to Our Dealers

The use of Agricultural Chemicals has become recognized as necessary to achieve maximum benefits in farming. Because of the varied chemicals required to achieve the proper results, it is necessary to have a complete line of Agricultural Chemicals to meet the customers demand.

With a full line of Agricultural Chemicals representing some of the largest and best chemical manufacturers such as Dow, DuPont, Douglas and Panogen, we are prepared to give you the very best in both product lines and service.

Make it a rule to check with us on your Agricultural Chemical requirements. We will consider it a favor to have the opportunity to serve you.
